

Health Outreach to the Middle East was birthed in the hearts of Middle Eastern physicians in North America to fulfill Christ's calling to share His healing love with all the people of the Middle East, irrespective of their race, religion, social or political backgrounds. In addition to its headquarters in Texas, H.O.M.E. has established several local chapters in the US & Canada. Members of these chapters are committed to pray & support H.O.M.E. through outreaching in their communities.

H.O.M.E. offers low or no-cost premium healthcare to the underserved and hurting displaced people, refugees and to those locals who could not otherwise afford it.

FUTURE PROJECTS

With the ongoing escalating violence in the Middle East region, HOME realizes the urgency of expanding its mobile medical network, to reach out to the refugees, poor & displaced people in the war-torn countries in the region.

Besides, HOME is planning to establish a Medical Center of clinical excellence & training center in Egypt that will host many programs such as nursing, family medicine, infectious diseases and enterohepatic diseases such as Hepatitis C.

HELP US MAKE A DIFFERENCE

Prayerfully consider partnering with us by:

- Becoming a member of HOME
- Praying for the HOME ministry needs in the Middle East
- Joining a short or long-term medical mission
- Supporting financially

The Spirit of the Sovereign Lord is on me,
because the Lord has anointed me to
proclaim the Good News to the poor, He
has sent me to bind up the brokenhearted,
to proclaim freedom to the captives, and
release from darkness the prisoners.

Isaiah 61:1

Reaching the Suffering
Sharing the Cure

Health Outreach to the Middle East (H.O.M.E), is a Christian interdenominational organization that offers physical, psychological, and spiritual healing to the suffering people in the Middle East. Since its inception in 1989, the desire of H.O.M.E. has been to provide medical care and health education in the name of Jesus Christ.

SCHOOL OF MEDICAL MISSIONS

Over 3000 Middle Eastern Bible-believing healthcare workers have been trained in Christ-like healthcare. In addition, The School of Medical Missions trains and graduates 8-12 physicians and healthcare professionals every year, who then return as medical missionaries to their own people.

MOBILE & STATIONED CLINIC

More than 17 clinics and 5 hospitals in 8 countries are now equipped and supported by HOME, including: Egypt, Iraq, Jordan, Lebanon, West Bank, S. Sudan, Syria, and North Africa. Along with the mobile medical clinics, these clinics and hospitals reach out to more than 100,000 people on an annual basis.

NURSING EDUCATION

The Aileen Coleman nursing program trains nurse-assistants & nurses to get their Bachelors & Masters degrees in nursing and nursing education, to serve in the HOME clinics & hospitals that HOME supports & partners with.

MEDICAL MEDIA MINISTRY

Extensive medical media ministry that includes a series of spiritual messages alongside medical education, reaches and addresses millions of people through the Arabic satellite TV stations.
